Special Livestock Rules

Junior Fair Exhibitors must follow open class health regulations for their respective species. Regulations can be found in rules 901:1-18-01 to 1-18-011 listed in this booklet. They must follow rule 901:19-11 dealing with humane treatment of livestock. The secretary's office will have the most up to date version of these rules. The official fair veterinarian will inspect animals on the day of unloading and daily thereafter. The official veterinarian has the right to make final decisions on animal health issues. No animal can be released from the fair for health reasons without a written statement from the official fair veterinarian.

The exhibitors have the responsibility to follow current livestock fair exhibition and tampering rules as defined by the state. These rules can be obtained from the secretary's office or the official fair veterinarian. Rules for exhibition include but are not limited to the following examples: tampering and/or misrepresentation as to breed, age, or owner – any artificial changing of natural conformation (excluding de-horning and normal grooming procedures) and/or color, such as dyes, filling under the skin, cutting ties, adding hair, or surgical removing of skin. The preceding examples will be considered fraud and deception. At the fair board's discretion, any exhibitor's animal determined to have committed such fraud can be removed from the show and not permitted to sell. Also included in the exhibition rules are animal welfare and end product use violations that include but are not limited to the following examples: drenching, shaving of pigs hair to less than ½ inch, oiling pigs, withholding food or water to "tighten up" animals after weigh-in, placing icepacks or ice water on animals before showing, and use of behavior altering drugs either natural or man made. Violations of welfare and end use regulations can result in removal from the show and not being allowed to sell at the discretion of the fair board.

If anyone suspects or has knowledge of such violations, before, during or after the show, it must be brought to the attention of a fair board member. A ruling committee of the Jr. Fair Committee, chairperson of the species involved and representative of the youth organization involved will be immediately notified and a ruling regarding the removal of the animal will be made. If the Jr. Fair committee decides to act on this complaint, a representative of this committee must contact the head advisor or parent of the offender. At no time are they to approach, confront, or harass a junior fair exhibitor. (see rules 901:5-14)

All animals must be placed in their assigned stalls or will be asked to leave the fairgrounds. Stall assignment forms must be completed by organization or parent leaders and turned in by July 10. No feed will be provided.

All market projects are terminal - No exception. All Grand & Reserve hog, steer, goat and lamb champions will go to a packer designated by the Fair Board to be slaughtered. All animals not making minimum or maximum weight must go home on Monday by 4:00 pm.

All Grand and Reserve Champions, except feeder calves, in the Jr. Fair livestock sale shall go to the packer designated by the Fair Board prior to the sale. At registration, all buyers shall sign and agree to this rule. After the livestock sale, all Grand and Reserve champions shall go to a Fair Board designated area for load out. **NO EXCEPTIONS WILL BE MADE.** Any buyer or exhibitor demonstrating compliance with this rule will be banned from participating in the Jefferson County Fair for the following year.

Animals must be shown by the Jr. Fair exhibitor that registered the project or in accordance with the exhibitor’s winning plan. Please note hardship cases are not any of the following: college, sports, school or extracurricular activities, vacation. Any hardship cases must be approved by the Jr. Fair Department involved. In the event of 2 market projects in the same class, another Jefferson County Jr. Fair exhibitor in good standing can show the animal. Exceptions will be made according to project & exhibitor’s accommodations approved by Sr. Fair Board. Also known as winning 4-H Plan.

Members must be able to show and control their animal. No exception will be made for another Jr. Fair member to show because the animal cannot be shown or controlled by the original exhibitor. Final decisions of safety to show will be the responsibility of the Department in charge. If deemed unsafe to show, animal must be removed from fairgrounds.

All exhibits must be part of the member’s project. An animal cannot be exhibited under more than one exhibitors name. Lambs, goats, hogs, feeder calves, and dairy beef feeders showing at the fair will be tagged the first Saturday in May. Ear tag number must be visible from the back of the animal. Steers, Market Heifers, and Dairy Beef Steers will be tagged the third Saturday in November. All steers must have a halter on & be able to lead. No exceptions. Poultry and rabbit registration/tag-in will be last Saturday in July. This includes open class.

Any substitutions will only be approved if showing in the original class entered.

Possessions of animals: Animals must be cared for by the youth member after a project is weighed-in, tagged in, or registered as a project. Animals must be stalled at the exhibitors residence (as defined by school registration or driver’s license). Any other location, must be submitted in writing to the Jefferson County Jr. Fair Committee prior to start of project for approval by the committee. During the project year, if circumstances require a change in location and/or possession, the same written permission must be submitted and approved. The Stalling location must be within a 30 mile radius of the exhibitor’s residence for consideration. Failure to comply with the possession rule will result in the exhibitor being suspended from participating on any level in the Jefferson County Fair for 1 year. Fair board reserves the right to verify said possessions.

Jr. Fair grooming can only be done by exhibitor, exhibitor’s immediate family (defined as parents, grandparents, and siblings), advisor from exhibitor’s club and/or exhibitor’s organizational leader (FFA, etc.) Violators will not show or sell (in accordance with OSF rules).

All junior fair livestock pens and stall must be cleaned and manure removed to designated areas by 12 Noon each day of the fair and upon leaving the fairgrounds.

Junior Fair exhibitors may weigh in and tag 3 market projects, but show, and sell a maximum of 2 market units with a maximum of two from any one market livestock category. Exception being poultry and rabbits (12) due to high mortality rates. Third animal tag must be turned in at weigh-in on Monday of fair in order to participate in fair. Categories are: steers, dairy beef feeder, hogs, lambs and goats. Exhibitors may sell only 2 pens of 3 market rabbits, 2 pens of 3 market chickens (3 fryers), 2 pens of market ducks (2 ducks), 2 market geese, or 2 market turkey. No more than 2 market pens can be sold. Feeder calves and dairy beef feeders which will be sold are considered a market project. If selling, exhibitor must list for sale the night of the feeder calf show or calf will not be sold. Any terminated steer projects must be reported to the sale committee before spring tag-in, in order to be eligible for additional market tag-ins.

Market animals will be divided into classes and/or divisions at the discretion of the fairboard.

Point Assessment:

First Place	5 points
Second Place	4 points
Third Place	3 points
Fourth Place	2 points
Fifth Place	1 point
